

SCT Newsletter

January- February 2014

Hello, welcome to February's Newsletter.

We hope that everyone has had a great holiday and that you are enjoying the start to this new year.

Firstly, we would like to thank the SCT council, education committee and registration board for all the work they have done for our group over the previous year, and we would like to extend our thanks for the work they continue to do .

We would also like to welcome this years' SCT council, including the new members Gary Zealand and Viki D'Arth. Council roles will be assigned in the coming month.

The NZ annual scientific meeting CSANZ is in Dunedin later on in the year, but now is the time to start thinking about going to this great event. Especially, as we still have 4 fellowships of 500 dollars left to help you on your way.

This will be a great opportunity to hear the latest from the various disciplines within Cardiology, to network with your peers and hear the latest research and new approaches practiced within Australasia.

The Cardiac Society (CSANZ) annual scientific meeting is from the 5th-7th June 2014. The physiologists meeting will be taking place on Thursday 5th June.

This CSANZ physiologist meeting will be on the topic 'AF, stroke and cardiac technology'. Please send your fellowship application in by the **7th March**.

The World Congress of Cardiology is replacing CSANZ Australia. It will be taking place Melbourne 4th – 7th May 2014. There are no fellowships remaining for this meeting.

SCT Fellowships

The Society of Cardiopulmonary Technology (NZ) Incorporated

c/o Cardiac Physiology, Level 3, Auckland City Hospital, Private Bag 92024, Auckland, New Zealand
Website: www.sct.org.nz Telephone: +64 9 3074949 extn. 24323 Email: edsec@sct.org.nz

SCT CSANZ FELLOWSHIP (NZ)

(Four available)

SCT is providing funds for 5 SCT members to contribute towards the CSANZ Dunedin conference up to a maximum of 500 NZD. Funding is available for the Cardiac Society of Australia and New Zealand Annual Scientific Meeting in New Zealand.

Conditions –

You must include estimates of the cost involved in attending the meeting.

You must be an ordinary or affiliate current financial member of SCT.

Applications must be received by the **7th March 2014**.

Applications will be discussed by the SCT council at the following meeting after this date. Applicants will be advised within 1 week of the outcome of their application.

If accepted, you will be required to send a copy of your conference registration form and original receipts for reimbursement to a maximum of \$500.

By accepting this funding you agree to submit a written conference report to the SCT Council within 1 month of attendance. This report may be used in the SCT newsletter.
