

SCT Newsletter

JANUARY 2019

Hello and welcome to the first SCT newsletter of 2019! As well as a new revamped layout we will be releasing the newsletter every quarterly instead of monthly.

Contents

SCT Annual General Meeting

SCT Symposium

Current Council Members

ECG of the Month

SCT Symposium at CSANZ 2019

SCT will be following the theme of CSANZ in relation to cardiac technology which is the 'First 20 and the next 10 years of the Millenium'.

There will be presentations on the last 20 years with a summary of each specialty, such as devices, echo and cath, followed by presentations on future updates.

Top MTEX student Brooke Collins from Middlemore Hospital will also be presenting her case study.

CSANZ Fellowships

The Society of Cardiopulmonary Technology (NZ) Inc. would like to invite current financial Ordinary and Affiliate members of the Society to apply for Fellowship to attend this year's New Zealand meeting held in Wellington from 13-15 June 2019. If you would like to apply, please complete the attached form and return it to info@sct.org.nz by 28th of Feb.

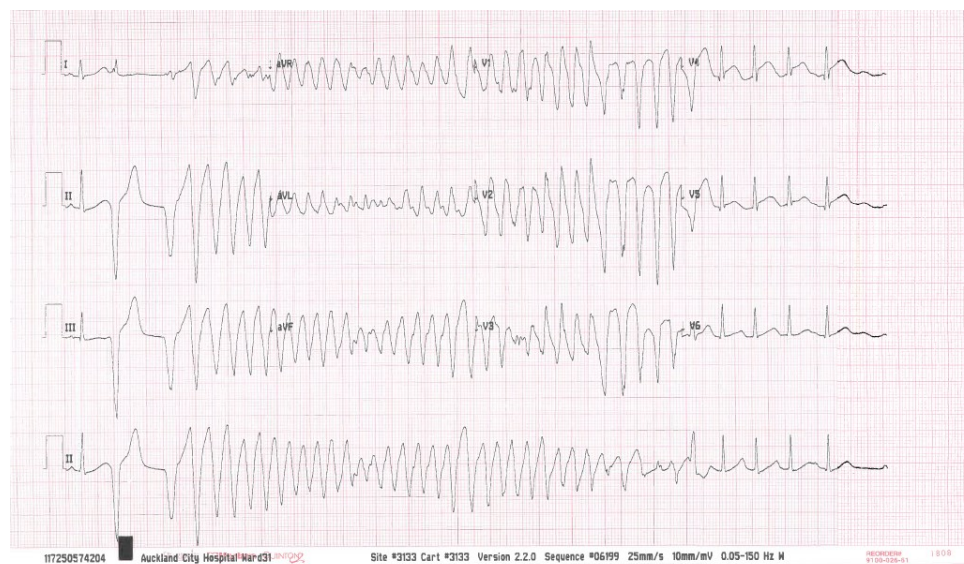

Earlybird registrations are now open and concludes Monday 15th April.
