

# SCT Newsletter

July / August  
2017

## THE SOCIETY OF CARDIOPULMONARY TECHNOLOGY (NZ) INC.

*50th Anniversary      November 2017*

The last newsletter mentioned that this year marks the 50th Anniversary of SCT. The commemorative book is well under way, with contributions coming in from centres around the country.

It has been decided that there will be a Reunion Luncheon Event on Sunday 19th November at Sorrento in the Park, One Tree Hill Domain, Auckland.

In an endeavour to contact previous SCT members, it would be appreciated if people could let former workmates know - via social media, etc...

Keep the date free! More info to come.

### **Vacant Council position**

Sadly, Samantha Bowman will be stepping down from council this year, so we have a vacant council position for the South Island Representative. If this is something you would be interested in then please fill in the attached form and return it to [info@sct.org.nz](mailto:info@sct.org.nz)

### **SCT Annual General Meeting**

The SCT AGM will take place on Wednesday the 20th of September at 8AM. If any members have an item that they would like raised then please e-mail the council.
